

🔍 The search engine for a better world

Gexsi is a purpose-driven search engine. Your search requests generate revenues. We use these revenues to support projects which positively tackle our society's greatest challenges.

www.gexsi.com

Every two weeks a new project – with your web search you support the 17 UN-Sustainability Goals (SDG)

Search with better data protection – we protect you and your privacy

Join a community that makes the world a better place!

It's easy as 1-2-3

1. You use Gexsi for your daily web search
2. The sponsored ads generate income for Gexsi
3. Gexsi uses the income to support social projects

« Financing SDG projects while searching the web? Brilliant! Change begins in everyday life. »

Rebecca Freitag, UN Youth Delegate for Sustainability

Certified B Corporation

We form part of a global community of people using business as a force for good.

100% Transparency

We provide full transparency about our flow of funds and how we support projects.

Charitable Framework

Gexsi is foundation-owned; 100% of the profits remain within a charitable context.

Environment

We have our own environmental guidelines, such as using CO2-neutral web servers.

The search engine for a better world!

👍 10 reasons to switch to Gexsi

Save the world

Become part of the global SDG movement for a better world
#globalgoals #UNsustainabilitygoals

Every single person counts

Your actions directly contribute to the success of the project supported by Gexsi!

Your Environment

You contribute to topics that are relevant to you: Environmental protection, equal rights, sustainable living, etc.

Simplicity

Changing the search engine to Gexsi takes less than 60 seconds and costs no money

No sacrifice

The integrated Google links ensure that you still have instant access to all of Google's familiar features

Do good all the time

It feels good to have a positive impact every day without any effort

Curiosity

Every 2-3 weeks we surprise you with new Social Entrepreneurship projects and their very own story

Good mood

Let yourself be inspired by the daily Good News and be put into a positive mindset

Next Generation

We stand for a modern approach to making the world a better place: social innovation instead of charity

Reduce your digital footprint

You leave fewer traces on the internet and protect your privacy when using Gexsi

5 advantages for Gexsi partner organisations

Organizational culture:

You promote a positive spirit in your organization

We share positive ideas / good news as well as inspiring stories of the supported initiatives

Employee commitment:

Your whole team is involved

Every individual contributes to the success through their search queries (financing of promising projects)

Communication + Reporting:

Your organization is a visible part of the SDG movement

Your commitment offers a variety of communication opportunities (label "We use Gexsi", Impact Reporting)

Cost:

No CSR budget required

Setting up Gexsi is free and works within seconds

Data Security:

Your organization leaves fewer traces on the net

Gexsi makes it hard for third parties to create personal user profiles
